# Advocating for Public Service Officers

## Recognition of Public Officers' Contributions through Annual Variable Bonus

AUPE negotiates with the Public Service Division annually on the mid-year and year-end variable bonuses for civil servants.

In 2021, AUPE urges the Government to recognise the sustained hard work and diverse contributions of officers in the fight against COVID-19. The Government concurred and a total of 1.3 month bonus was paid out. Civil servants in more junior grades also received a one-time payment of up to \$1,200.

## Enhancing Livelihood

AUPE advocates for regular reviews of salary schemes to ensure that officers' remuneration remains competitive. The latest round of review will see the salaries of about 23,000 civil servants adjusting by 5% to 14%.

To uplift wages of lower wage public officers, AUPE worked with PSD and MOE to review the Operations Support Scheme holistically. Salary schemes and progression pathway were enhanced with introduction of new roles. Smart facilities management technology was introduced to help the matured Operations Support Officers (OSO) in their work. Close to 1800 OSOs benefitted from the changes.

## Resolving Workplace Issues

### Union Flagged Error in Bonus Payout

Members alerted the Union after receiving an unexpected drop in their performance bonus. AUPE suspected an error in the computation. Upon verification with HR, it was discovered that there was an error and more than \$250,000 were back-paid to affected officers.

### Securing Re-employment Offer

A member was not eligible for renewal of his re-employment contract as he was given a C- performance grade. AUPE successfully represented him in reviewing his performance grade from C- to C and securing another year of re-employment.

### Waiver of Overpayment of Salary

A member was terminated with immediate effect due to false representation of his medical condition when he started work years ago. Member had to return close to \$1500 of overpaid salary but he was unable to do so as he was jobless. On Union's appeal, agency waived the amount on compassion grounds.

## Supporting Members on their Upskilling Journey

Navigating the Public Sector Transformation is no mean feat and AUPE is committed to support all public officers, to help build their confidence and walk the journey with them. With this in mind, AUPE has partnered many agencies to come up with preparative programmes like growth mindset, staff performance appraisal and management, preparedness for re-employment and career coaching services.

In 2019, AUPE, the Singapore Government and Civil Service College formed the Public Service Cluster Training Committee to prepare officers for a longer career span. As of end 2021, about 10,000 officers had been trained through various initiatives and programmes.
