Development
Agency

**DON'T LEAVE YOUR CAREER TO CHANCE.
PLAN IT.**

As AI transformation accelerates across organisations, now is the time to refresh your career plan. Learn how to spot growth opportunities, build on your strengths, and take practical steps to grow from within your workplace.

What you will learn

- Navigate workplace change and AI transformation with confidence
- Discover your strengths and career opportunities
- Build a practical personal career action plan
- Use a structured approach to plan your career
